

I understand that you will vote on June 2, 2003 regarding relaxing the rules on media ownership.

I am against your making this change, and I urge you to involve congress and other interested organizations to fully debate this issue before making any changes.

I feel that there is already too much media control in the hands of only a few companies. I believe that we need to move in the opposite direction to ensure that the public has access to more diversified points of view from the media.

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

Thanks for considering my ideas,

Steven Tuttle
